# Why this track worth investing in?

# Market Analysis

Gamefi boasts leading track data in terms of the number of transactions and users, but it is underestimated. Public Blockchain Expansion, Defi Maturity, NFT Outbreak provide fertile soil for Gamefi to grow. However, the existing market sees GameFi products much worse than Web2 games. GameFi of PlayToOwn has great potential.

## Transactions

Total number of transactions sent to the smart contracts

7d 30d 1y

### Transactions per Category

## Unique Active Wallets (UAW)

Total number of unique active wallets interacting with the smart contracts

7d 30d 1y

### UAW per Category

# Why choose us? Founder

## Traditional Culture

- Family of Traditional Chinese Studies, the 76th-generation of saint Mencius
- Member of top martial arts Taoism sect. Sun Lutang, the founder of the sect, is a martial arts saint

Holding traditional culture to its core, riding Chinese fashion trend, and driven by business and technology

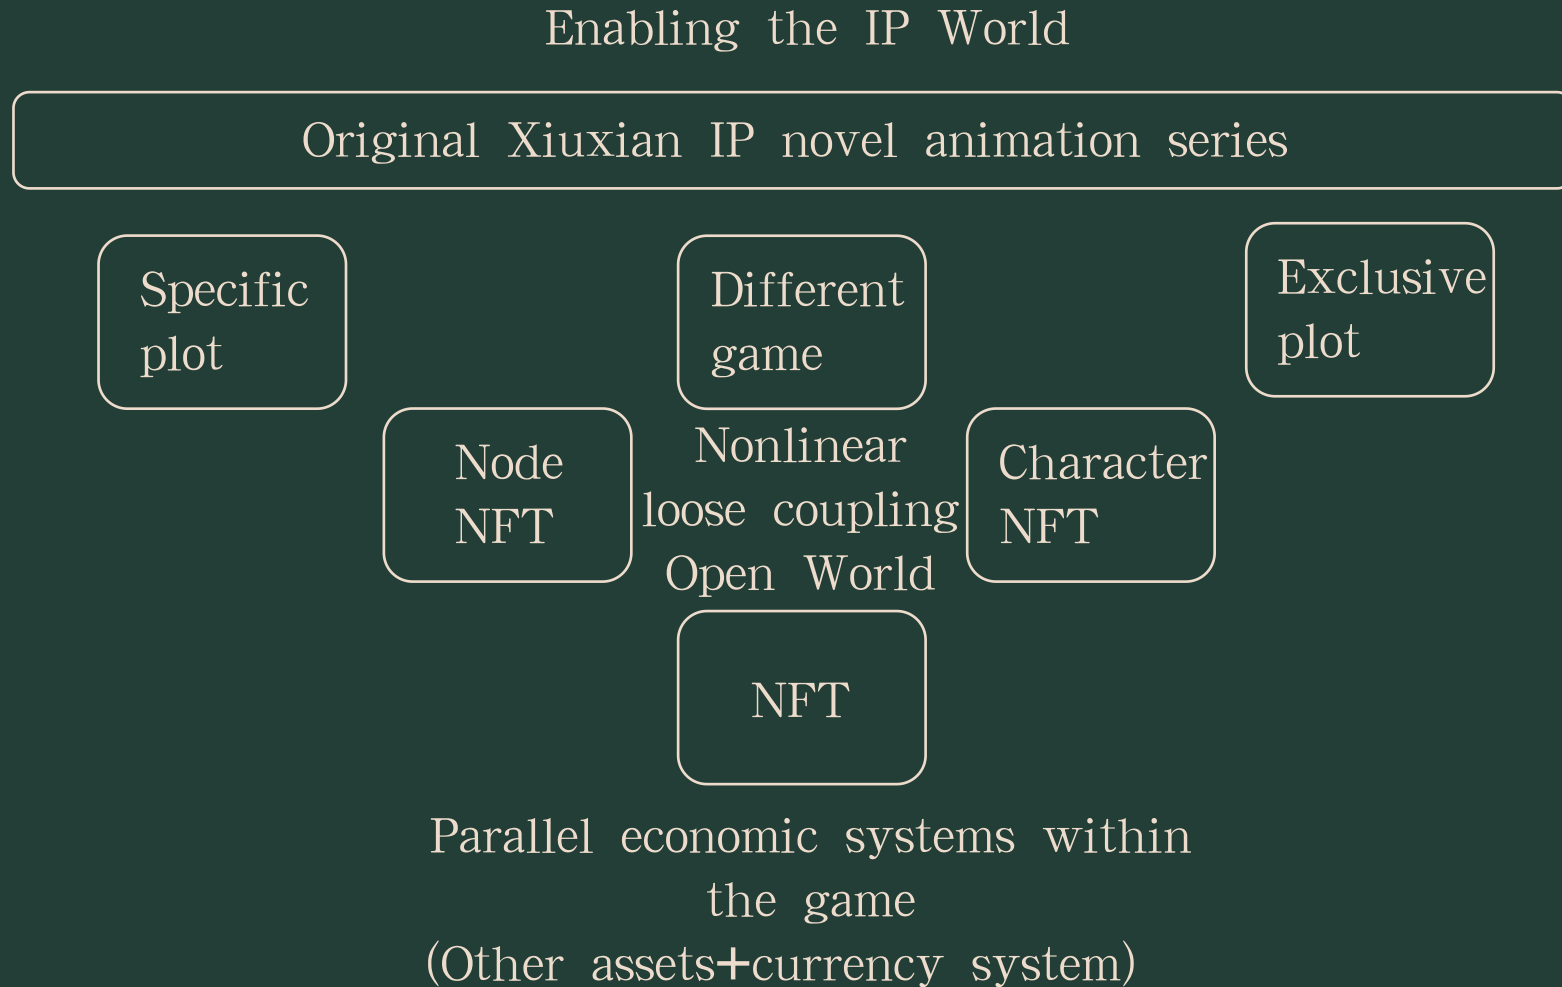

# Why choose us? Product

	Narrative/Value	Artistic style	Rendering effects	Type of playing	World view plot	Economic mechanism	Up blockchain
Alien World	Simulated economy	2D science fiction	None	AVG	Future galaxy	Strong economic system	WAX
Splinterlands	None	2D mystery	None	TCG	Mysterious continent	P2E	Hive
Era7	None	2D illusion	None	TCG	None	P2E, mining	BNB
Tinyworld	None	2D history	None	IDLE、TD	None	P2E、mining	BNB
ARC8	None	2D	None	MOBA	None	mining	Polygon
TapFantasy	Old IP	2D ACG	None	MMORPG	Anime fantasy	P2E	Solana
illuvium	3A Game	3D fantasy	3D+UE4	Autochess	Imitate Pokemon	NFT、land	ETH
Genetic Mapping of Multi-Universe	Metaverse+Chinese culture	3D+Simulacrum+Immortal Xia Mystery	Hi-Fi 3D+cloud native 3090	3D Open World	Multiuniverse+Science fiction Xiuxian IP	Free play+asset NFT+UGC	SUI/Polygon
Worldwide	Differentiation	Differentiation	Head	Head	Top	Innovation	Innovation

Differentiation in narrative and artistic style, head in rendering effect and type of playing, innovation in economic mechanism and up chain, and top in world view plot.

# Are there crypto innovation? P2F and NFT interoperability

Game experience first, crypto design second. More game experience and IP added value will be carried on NFT to give it value. Enable play-to-own model to run

# Why choose us? Organization

Great master of Taoism martial arts, Champion of Chinese martial Arts, president of Confucius Institute, five-star writer of Yuewen Group, jewelry artist, professor of ceramic, master of Hiphop, supermodel, Hanfu expert...
